Camp at Ft. Wall. Monday 31st A.S. 1865-

The Application of Frank Brown for a detail as an agriculturist herein enclosed, having been considered by me and the facts as stated therein I believe to be true and that the public necessity demands it as provided for in the Act of Congress, entitled an Act to organize forces to serve during the war approved February 17th 1864 I therefore recommend the detail as prayed for said Frank Brown is in very inferior health, I think consumption, he having a very bad cough. It is my opinion that the said Brown is not fit for duty in the field and is not likely to be for some time.

Certificate of Disability for Service

G. W. Davis, a private of Camp Martin, enlisted in Hood Co. to
serve for the term of one year in the 1st of Texas Cavalry at
24 years of age but being unable to perform his duty on account
of the disease mentioned below.

Station Camp Martin near Bushy Branch

Date September 6th 1861

L. W. Martin
Lieut. Col. 1st Regt. Texas Cavalry

I do hereby certify that I have carefully examined
the said G. W. Davis private of Camp Martin
and find him incapable of performing the
duties of a soldier because of the illness of several
months standing the accumulation of serum
in the peritoneum is extensive, also Oedematous
extremities both of which conditions combined
interfere very greatly with locomotion. The previous
history of the case establishes the fact that the
disease of several years duration, which however,
had been partially relieved, to return immediately
on exposure to Camp life.

The disease is supposed to result from organic
disease of the Liver & Spleen consequent upon
protracted inter-mittent fever.

Said Soldier is unfit for duty.

DEPARTMENT OF THE ARMY
Mechfield P. Office
Balk County Texas
July 30th 1863

It is with extreme reluctance, that I find myself compelled to ask, that you will submit the enclosed petition to the Major Genl. Comd? It reaches me from such a source, that I cannot refuse to do this, and to state the facts of the case. It comes to me from the most intelligent and patriotic settlement of our country, which, when it was thought necessary to obstruct the navigation of Trinity River, took the lead in volunteering their slaves and provisions and transportation, without pay, and when the first call was made for hands to work on fortifications, volunteered a third of theirs, instead of a fourth, and sent them forward without hesitation or delay. The services of Dr Dupree are not only almost indispensable to them, at this, the sickly season, but he has aided them very much, in their efforts to prevent suffering among soldiers' families, by attending them without charge.

I am fully aware of the objections to applications of this kind, and the difficulties in yielding to them. I shall not therefore trouble the Major Genl. Comd? with a single word in advocacy of this. If he should think proper to grant it, he will add the impulse of gratitude, to the patriotism of those, who send it, and to the loyalty of those in the army, who are interested in it, through their families. If he should feel himself compelled to refuse it, I think his decision will be cheerfully submitted to by all.

Very respectfully, Your own serv^t

To Genl. S. B. Magrison

Wm. A. Ford
March 25th/63.

Petition of Wm. A. Ford
to be released from
Conscription -

State of Texas }
Harris County } J. Major General J. Rankin Magruder, Commanding
the Army of the U.S. in Texas -

The petition of Wm. A. Ford respectfully represents: That a short time ago, upon a petition then presented by him, your Excellency was pleased to make order that petitioner should not be taken as a conscript, on account of his being exempt as a British subject. Capt. J. C. Thomas, Commissary Officer, at Houston, has again arrested your petitioner as a conscript. When he was formerly arrested by Capt. Thomas, your petitioner sued out his writ of habeas corpus before the Judge of the Confederate States Court, but being advised to appeal to your equity and justice, he dissolved his writ before the Civil authorities and laid his case before your Excellency, when the order spoken of was made. That the Confederate Judge has now gone to Tyler in Smith County, as petitioner is informed, and that there is no judge near this place to whom he can apply for an adjudication of his rights, and he is under the necessity of again appealing to your Excellency -

He represents that all the facts stated in his petition originally presented are strictly true. That he is native of England, that he has never been domiciled or naturalized in any other country, that he is in good faith merely a temporary resident here for business purposes. That it has always been and still is his intention to return to England. That at the very beginning of this war he attempted to return and paid his passage in the Barken Milford; that a day was appointed for his going on board, but that the vessel sailed previous to the day appointed, and petitioner lost his passage money. That he still intends to return, but is only deterring by the danger and expense of going through Mexico. That he has never acquired any freehold or even leasehold property in this country, and lives in the house of a friend - that he married in England and his wife is a British subject. He asserts the allegations of his previous petition, and says that if the Commanding General has been informed of any thing contradicting the truth of the facts in said petition, such information is erroneous -

He prays for an order discharging him from conscription and petitioner will ever pray, &c. &c.

General,

I herewith transmit the
certificates of Mr. Ford's medical attendants
together with the certificate of Dr. Powell.

With reference to Mr. Ford I have
to remark that he is now and has been
for some time suffering from imprisonment
in the guard house and is arraigned
before a Court Martial for refusing to
do duty as a Soldier.

That considering Mr. Ford as having
been unjustly enrolled and my remonstrances

Major Genl J. B. Magruder C. S. &
Commanding Dist of Texas & & &
& & &

Having failed to procure his discharge
I have directed the attention of His
Majesty's Government to the treatment
to which he is exposed.

Under these considerations should
Mr. Gorda's health or life be sacrificed
with the evidence of his condition given
by physicians who stand so high in
their profession as does Hearn and Lane,
it will be a matter of grave import and
worthy of your serious attention.

I have the honor to be,

Your obedient servant,

Sir.

I am instructed by the Com^d General to enclose you the accompanying papers in reference to one Francis Ford.

Gen. Magruder directs me to say that the only question between him & yourself is whether Francis Ford, ~~is or is not an alien~~ ^{is or is not an alien} _{to the United States}.

The papers enclosed go clearly to show, in the judgment of the Com^d General, that Mr. Ford, by his acts has acquired domicile & forfeited all claims to foreign protection.

As regards the imprisonment & trial of Mr. Ford, the Com^d General directs me to say that it is a matter that concerns only the Confederate Govt. If the Com^d General were satisfied that Mr. Ford was a

high grade subject of Great Britain, he would not hesitate to release him, but under the present circumstances he declines doing

so. I am, Sir, very respectfully,
Your obedient servant,
J. M. Magruder

Houston Aug 10th 1863

About two years and a half ago Mr. Frank
Ford had a severe injury by falling from the
London City baggage wagon, Dr. Welch, my
pastor treated him for a month or more.

About two years ago - Dr. Ford came under
my treatment. He evidently was suffering at
that time not only of chronic dysentery, but
also of deceleration of the humors. Both of the
above affections resulting mainly in my opin-
ion from the injury of his liver bowels &c
for which Dr. Welch treated him, (which
resulted from the fall above named -

I treated Mr. Ford for something about one
year. He was alternately better and worse
I always observed that he was worse when
he took much exercise.

I don't
idea he will ever get well. but think
with great care he may live for some
years yet.

But it is my candid
opinion should he be subjected to the
hardships of Army life, he will not
live two months.

Sir
Frank Ford presented
his Consular papers at this Office on the 10th
March last, and having taken the usual
'Alien Oath' (a copy of which is here enclosed)
received a certificate of exemption as an
Alien. An examination of the Poll Books
of Elections held in Galveston, showed him
to have voted for State, County & Municipal
officers in 1860, 61, & 62 upon which, on the 18th
of June he was regularly enrolled and
assigned to your Battery.

I enclose you certificates
from Judges Cole & Joseph as to his having
voted at different times.

He has resided here
a number of years, has done business here,
has his family here, and acknowledged to
having voted several times.

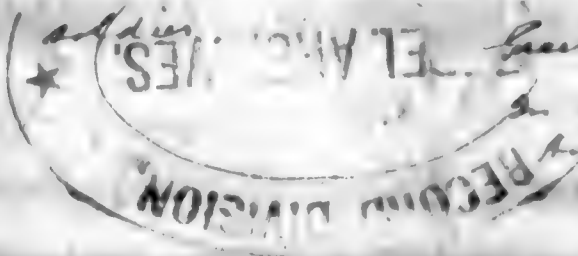

Careful enquiry and my own personal
knowledge proves that no other person of
the same name has resided here for years
past.

Respectfully,

YEAR 1865

Head Quarters Bureau of Description
Inspection of Goods of Post Feb. 5th 1865,
P. M. Dept. Galveston Tex.

Receipt;

My attention has just been called to an order from you of Jan. 29th ordering Henry & William Hermon to report on or before the 5th of Feb. ~~before~~ at your office preparatory to going into the regular service or be considered as deserters.

I am credibly informed that William Hermon is not yet eighteen years of age. No officer in this Department has authority to place a youth between the ages of 17 & 18 in the regular service except by his own consent. The practice is generally made in the Reserve Corps of to send them home on their arriving at 18 years of age, & will be governed by this rule until it is changed by competent authority.

Henry Hermon is reported to me as being very necessary to the people of Galveston to transport & furnish supplies. Application will be made for his detail for that purpose from this country he having been enlisted here first. I shall give him a pass to protect him from molestation till it is heard from. You will also permit William Hermon to continue in his present occupation till application for his detail by Gen. Robertson is heard from.
